

Rigger Rack

Real-Life Tested

Tested and used on trailers at regattas

Efficient Storage

Holds up to 8 aluminum sweep riggers in less than half a cubic yard

Customizable

Get your school or club name personalized on your rack

Multiple Uses

Multiple racks can be used as low boys to hold your boats

Rigger Rack has got you covered!

Designed to solve the problem of riggers shifting in transit, causing damage to both your riggers and other equipment! Organize your trailer and safely store your aluminum sweep wing riggers. No more wrapping the riggers together or piling them on top of each other in the bed of the trailer. Made from pressure treated wood with stainless steel parts.
